Prezi Native OS App

Recently released

The screenshot shows the main interface of the Prezi Native OS App. At the top, there is a header bar with three red, yellow, and green window control buttons, a user profile icon for "Clark Kent", a "NEW PREZI" button, a search bar with placeholder text "Search prezis...", and a magnifying glass icon.

Below the header, the main content area displays a grid of presentation thumbnails. Each thumbnail includes the presentation title, a small preview image, and a status indicator (e.g., "EDITED 3 MINUTES AGO", "EDITED 3 DAYS AGO").

- Messy Notes** (Thumbnail: A collage of office supplies like pens, paper, and sticky notes). Status: DOWNLOADING.
- Calendar Design** (Thumbnail: A green background with white circles and a leaf vein pattern). Status: EDITED 3 MINUTES AGO.
- Big Data presentation** (Thumbnail: A green background with white circles and a leaf vein pattern). Status: EDITED 3 DAYS AGO. Includes a "Next Beta" button.
- EU Labor mark ... october** (Thumbnail: A colorful illustration of a person with glasses, a lightbulb, and hot air balloons). Status: EDITED 2 WEEKS AGO.
- Current workflows** (Thumbnail: A complex flowchart diagram with nodes like "What is design?", "Arts & Crafts", "Product Design", and "Experience Design"). Status: EDITED MAY 24.
- Workflows** (Thumbnail: A dark-themed grid of presentation thumbnails). Status: DEC 2013.
